the operator instead.

#### WELCOME RAIN

Telegraphic reports to the BELT indicate that the storm of Wednesday was of wide extent, and at several points already heard from the rainfall was quite heavy.

Camp Thomas seems to have borne the brunt of the storm. It was "visited by violent wind-which partially unroofed the telegraph office-accompanied by a heavy fall of hail, reportbeen six inches deep on an average, moving his plant to Phoenix, The total precipitation there was

melted hail fell, and there was also at Fort Bowie. considerable thunder and lightning.

At Wileox the precipitation was 2-100 of an inch of rain.

was inappreciable, but thunder and lightning continued all day.

and during the night a slight rainfall. of the Whetstone mountains. Here at Globe the storm did not pan

out so well as we were led to expect from the threatening appearance of the heavens. It came on with a flurden milling company of Tempe, was ry heralded by rumbling thunder and electrical flashes, and rain fell for a few minutes, but hardly in sufficient quantity to lay the dust.
